

COMPETITIVE PROGRAM

When you register for one of the below genres, you are committing to all the classes listed in that box

Classes in the red box are considered the "Full Competitive Program" for each level. The listed choreography classes can not be taken on their own without taking everything listed in the red box.

Classes listed in the **black boxes** can be taken in addition to the full program, or **on their own**. You must take all the classes listed in the black box if you're wanting to do that style.
